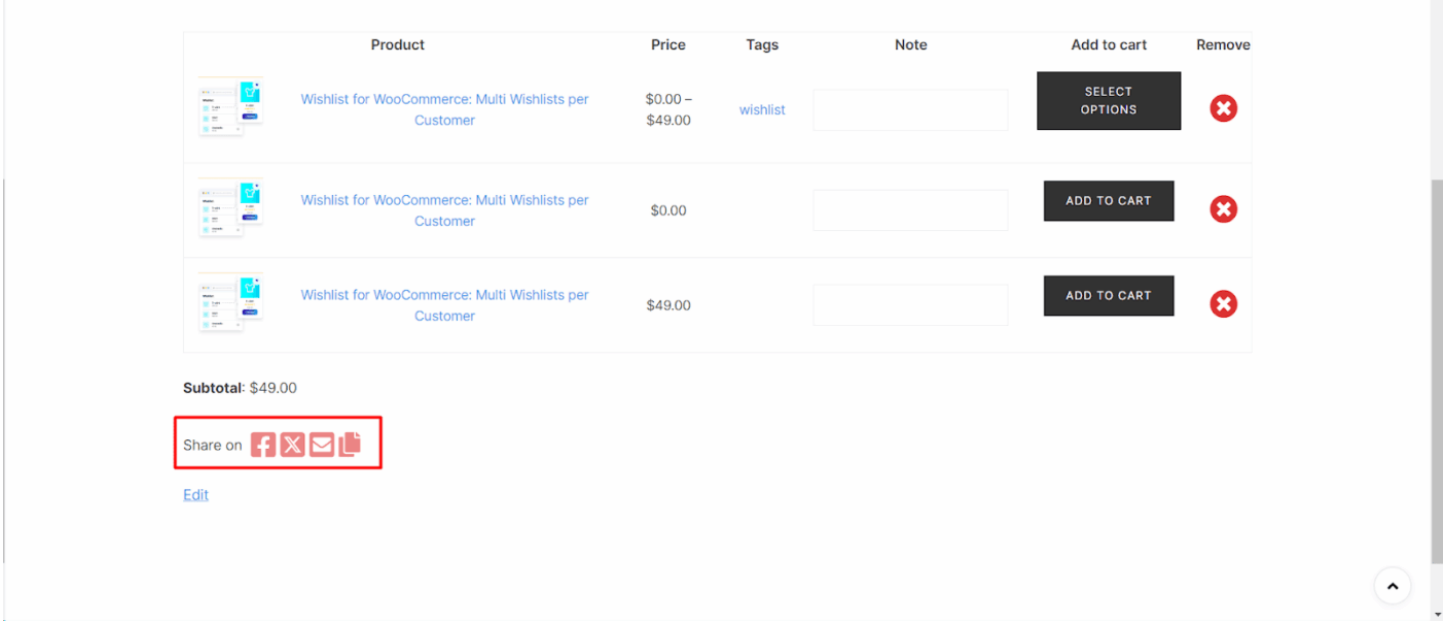
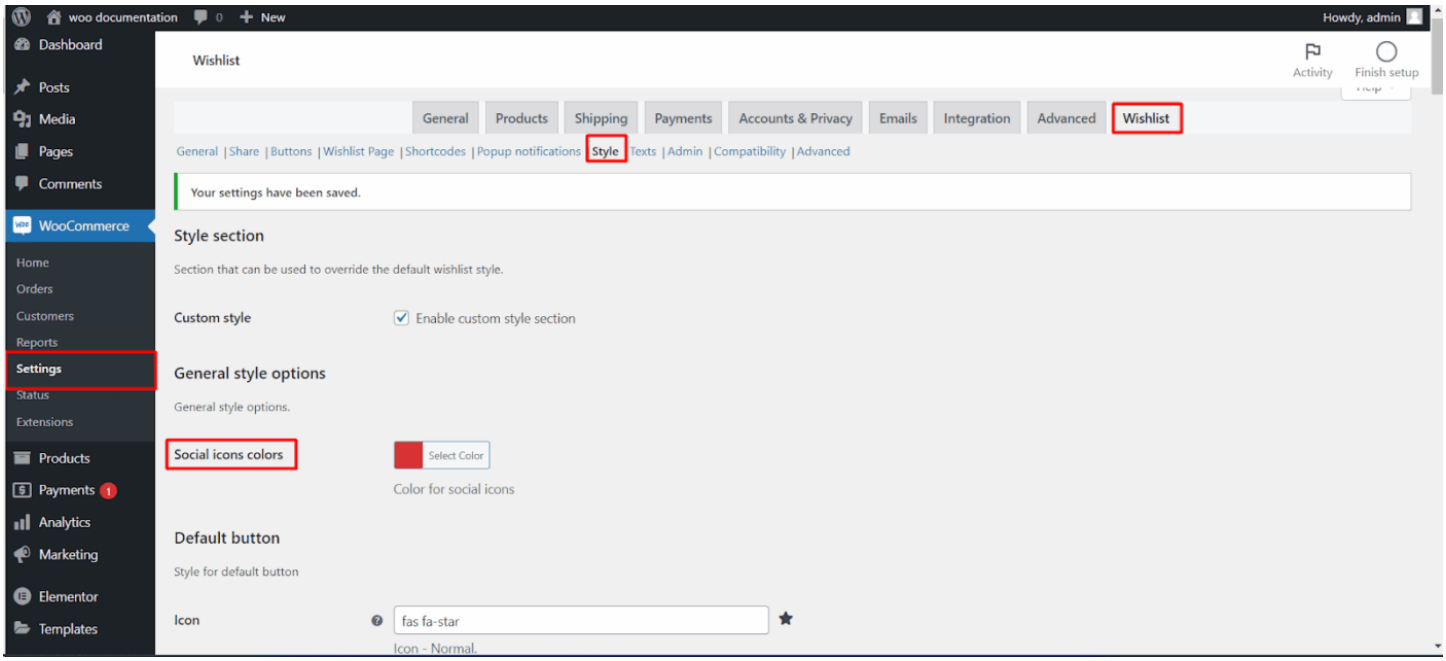
Customizing Social Icons Color on Wishlist Page in WooCommerce

How to · https://wpfactory.com/docs/customize-social-icons/



To change the social icons color on the wishlist page in Wishlist for WooCommerce, go to WooCommerce > Settings > Wishlist, open the Style tab, and enable the Custom style section. Then scroll to Social icons colors, click Select Color to pick a color, and save your changes.



Step 1: Navigate to WooCommerce Wishlist Settings

1. Log in to your WordPress dashboard.
2. Find and click on **"WooCommerce"** in the left-hand menu.
3. Locate the **"Wishlist"** tab under WooCommerce settings.

Step 2: Access Wishlist Style Settings

1. Within the Wishlist settings, click on the **"Style"** tab.

Step 3: Enable Custom Style Section

1. Look for the **"Custom style"** section. Enable this to access advanced customization options.

Step 4: Customize Social Icons Colors

1. Scroll down to the **"Social icons colors"** section.
2. Click on **"Select Color"** to choose the desired color for social icons on the Wishlist page.

Step 5: Save Changes

1. Save your changes to apply the customized color to the social icons.

Now, your WooCommerce Wishlist page will showcase social icons in the selected color, creating a cohesive and branded appearance.
