# Are there any restrictions on geographic location for affiliates?

Affiliate Program · https://wpfactory.com/docs/affiliate-geographic-restrictions/

No. There are no geographic restrictions for WPFactory affiliates. You can join our affiliate program and promote our plugins from any location in the world: the program is open to individuals globally, and affiliates from every region are welcome to earn commissions.

## Joining from your country

Feel free to join, wherever you are located, and start earning commissions by promoting our plugins.
