Wishlist Not Displaying Correctly

Troubleshooting · https://wpfactory.com/docs/wishlist-display-issue/

If Wishlist for WooCommerce is not displaying correctly, clear your browser cache and website cache. If the issue persists, temporarily deactivate other plugins to find a conflict, check for theme compatibility issues, and make sure your theme is up to date.

Solution

Clear your browser cache and website cache **(if applicable).** If the issue persists, deactivate other plugins temporarily to identify potential conflicts. Check for theme compatibility issues and ensure your theme is up-to-date.
