Setting Minimum/Maximum Amounts by Currency

How to · https://wpfactory.com/docs/currency-based-minimum/

To set minimum and maximum amounts by currency in Order Minimum/Maximum Amount Limits for WooCommerce Pro, go to WPFactory > Order Min/Max > Currencies and tick Amount by currency. Pick a Calculation method, either amounts per currency or exchange rates, add your currencies, save, then fill in the amounts or rates and save again.

Before you start

- WooCommerce, active, with a multi-currency setup if you want live switching.
- Order Minimum/Maximum Amount Limits for WooCommerce Pro: the **Currencies** section is a Pro feature.

Step-by-step

1. Go to **WPFactory > Order Min/Max** (also reachable at **WooCommerce > Settings > Order Min/Max Amount**) and open the **Currencies** sub-tab.

2. Tick **Amount by currency** (`alg_wc_oma_by_currency_enabled`).
3. Pick a **Calculation method** (`alg_wc_oma_currencies_calculation_method`): **Amount types per currency** to enter each currency's amounts by hand, or **Exchange rates** to convert your base limits automatically.
4. Add the currencies you support in the **Currencies** field, then click **Save changes** so the extra fields appear.
5. Fill in the amounts (or exchange rates) and save again.

Options in this section

Label	Option ID	Default
Amount by currency (enable section)	`alg_wc_oma_by_currency_enabled`	No
Calculation method	`alg_wc_oma_currencies_calculation_method`	Amount types per currency
Section overriding	`alg_wc_oma_currencies_prevent_overriding_minusone_values_sections`	No

ORDER MIN/MAX AMOUNT

Per-currency limits are part of Order Min/Max Amount Pro.
