How to style the offer form popup

To style the offer form popup in Name Your Price: Make Your Own Offer for WooCommerce, go to WPFactory > Price Offers and open the Styling section. Set the popup width and the header and footer background and text colors. The footer bar only shows when you set a Form footer in the Form section. These styling options are free.

Go to **WPFactory > Price Offers** (also reachable at **WooCommerce > Settings > Price Offers**) and open the **Styling** section.

Styling options (all free)

Label	Option ID	Default
Width	`alg_wc_price_offerings_styling[form_content_width]`	80%
Header background color	`alg_wc_price_offerings_styling[form_header_back_color]`	#3d9cd2
Header text color	`alg_wc_price_offerings_styling[form_header_text_color]`	#ffffff

Label	Option ID	Default
Footer background color	`alg_wc_price_offerings_styling[form_footer_back_color]`	#3d9cd2
Footer text color	`alg_wc_price_offerings_styling[form_footer_text_color]`	#ffffff

Width accepts any CSS length, such as `80%` or `500px`. The header and footer colors apply to the top and bottom bars of the popup. The footer bar only shows when you set a **Form footer** in the Form section. Use the **Reset section settings** checkbox to return to the defaults above.

NAME YOUR PRICE

Popup styling is free. Name Your Price: Make Your Own Offer for WooCommerce Pro adds per-product, per-category, and per-variation targeting plus auto-accept and auto-reject rules.
