Set the Product Quantity Field From Your Min/Max Limits

Pro Features · https://wpfactory.com/docs/woocommerce-quantity-input-from-order-limits/

To set the product quantity field from your min/max limits in Order Minimum/Maximum Amount Limits for WooCommerce Pro, go to WPFactory > Order Min/Max > General and scroll to "Quantity" amount type options. Turn on the Quantity input default, minimum, or maximum controls, which read your per-product limits, and save. This is a Pro feature.

Before you start

- WooCommerce, active.
- Order Minimum/Maximum Amount Limits for WooCommerce Pro: these quantity-input controls are a Pro feature.
- **Quantity** selected as an amount type, and per-product limits set in the **Products** sub-tab (these controls read the "Per product" limits).

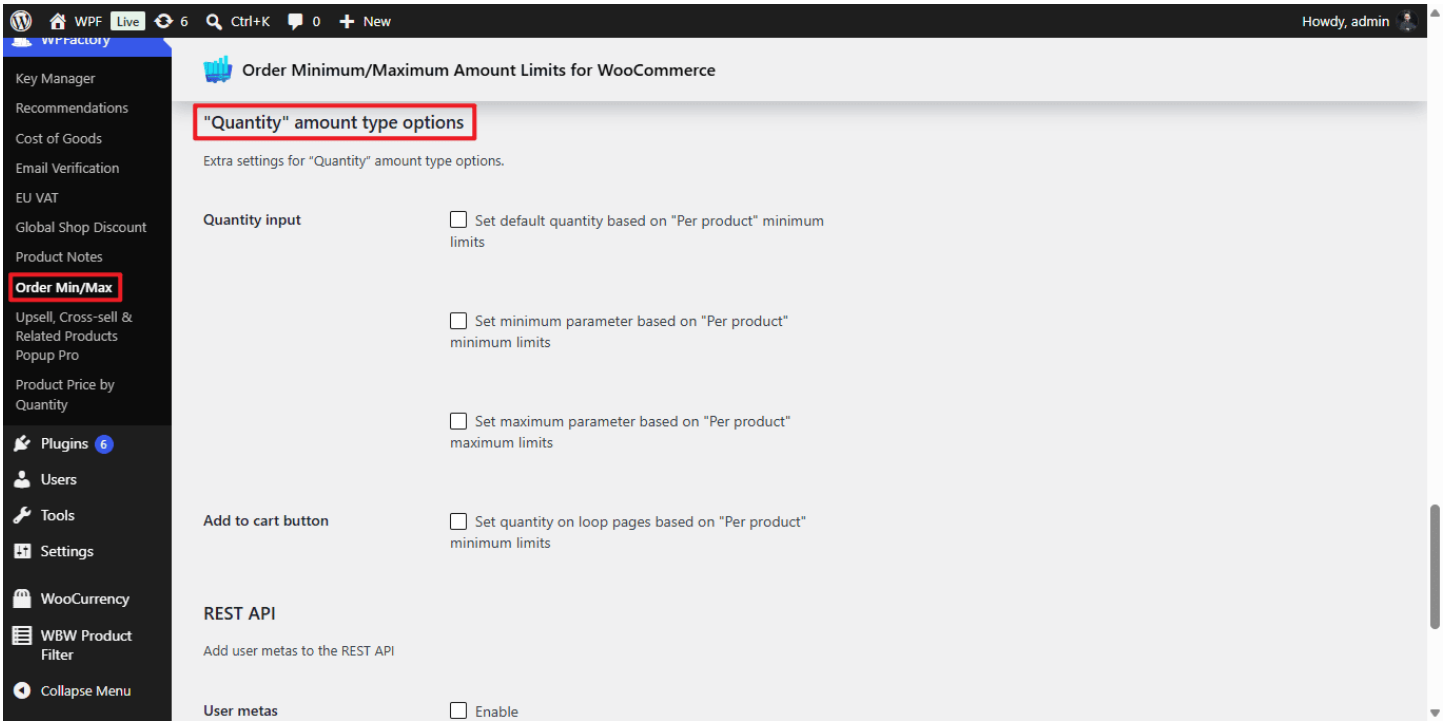

Step-by-step

1. Go to **WPFactory > Order Min/Max** (also reachable at **WooCommerce > Settings > Order Min/Max Amount**) and open the **General** tab.
2. Scroll to **"Quantity" amount type options**.
3. Turn on the controls you want (see the table), then click **Save changes**.

Options

Label	Option ID	Default	What it does

Quantity input (default)	`alg_wc_oma_default_qty_input_based_on_per_product_min`	No	Sets the field's starting value to the per-product minimum.
Quantity input (minimum)	`alg_wc_oma_min_qty_input_based_on_per_product_min`	No	Sets the field's `min` attribute to the per-product minimum.
Quantity input (maximum)	`alg_wc_oma_max_qty_input_based_on_per_product_max`	No	Sets the field's `max` attribute to the per-product maximum.
Add to cart button (loop)	`alg_wc_oma_loop_add_to_cart_set_qty_from_min`	No	On shop and archive pages, adds the per-product minimum quantity in one click.

ORDER MIN/MAX AMOUNT

This is a Pro feature of Order Min/Max Amount. If you are still on the free version, upgrading unlocks this along with the rest of the Pro toolkit.
